

## HK Stain 3 in 1 [plus]

Fast-drying premium wood protection stain with reduced solvent content and enhanced moisture protection for exterior wood

### Constituents

#### VOC content

< 15 g/l

#### Directive 2004/42/EC ("Decopaint" Directive)

EU limit value for the product (Cat. A/e): max. 130 g/l (2010).

This product contains < 130 g/l VOC.

#### Biocidal agents

Contains small amounts of isothiazolinone derivatives resulting from the preservation of precursors (especially binders) or added for the purpose of preserving the product in the pot.

Contains a film preservative based on the biocidal active ingredient IPBC (< 0.29 %) to protect the film from microbial infestation.

#### SVHC as per Regulation 1907/2006/EC ("REACH")

Does not contain (<0.1%)

#### Heavy metals pursuant to VdL Guideline 01

Not contained as constitutive ingredients

### GISCODE

BSW50

### Eco-labels, certificates, declarations

#### Declaration in accordance with VdL-RL 01

Constituents: polyacrylate, alkyd resin, inorganic white and coloured pigments, glycols, film-forming agent, water, boundary additives, UV absorber, wetting agent, rheology additives, IPBC (3-iodo-2-propynyl butylcarbamate), pyrithione zinc, BIT (benzothiazolinone), CMIT/MIT (methylchloroisothiazolinone/methylisothiazolinone) (3:1)
