

Betofix EM LQ

Liquid component for Betofix EM two-component systems

Type/Name	Availability		
	Quantity per pallet	24	1
	Size / Quantity	25 l	1000 l
	Type of container	Plastic canister	Container
	Container code	25	61
	Art. no.		
Betofix EM LQ	5780	■	■

Range of use

- Liquid component for producing Betofix EM 2-component concrete substitute mortars

Property profile

- Liquid
- Solvent-free
- Aqueous plastic dispersion

Possible system products

- [Betofix EM 8 2K \(5777\)](#)
- [Betofix EM 4 2K \(5778\)](#)

Production of the mixture

- **Mixing**
Stir well before using.
Produce the required quantity of mixing liquid and mix in the dry components until they are free of lumps and homogeneous, and the mortar is readily workable.

Tools / Cleaning

Clean tools with water while the material is still fresh.

Storage / Shelf life

Dry, in unopened containers, 6 months.
Re-seal opened containers after use and use up as soon as possible.
Store in a frost-free place.

Safety data / Regulations

For further information on the safety aspects of transporting, storing and handling the product and on disposal and environmental matters, please see the current Safety Data Sheet.

Disposal

Larger quantities of leftover product should be disposed of in the original containers in accordance with the applicable regulations. Completely empty, clean containers should be recycled. Do not dispose of together with household waste. Do not allow to enter the sewage system. Do not empty into drains.

Please note that the data and information given above have been calculated as guidelines in the laboratory and from real-life experience and are therefore not binding as a basic principle.

This information is therefore of a general nature only and describes our products and how they are used and worked with. In this respect, it must be borne in mind that the varied and diverse nature of the

prevailing working conditions, materials used and construction sites encountered means that not every individual case can be covered. In this respect, we therefore recommend either conducting tests or liaising with us in the event of any doubt. Unless we have provided express written assurance of the products' specific suitability or characteristics in respect of a contractually stipulated intended use, any technical application-related advice or instruction will never

be binding, even though it is provided to the best of our knowledge. In all other respects, our general terms and conditions of sale and delivery shall apply.

When a new version of this Technical Data Sheet is published, it shall replace the previous version.
